

Reagents for wine analysis

Enzymatic Kits

| Description | Number of tests manual method macro/semi-micro cuvettes | Price | Cost Per Test (Macro) | Cost Per Test (Semi-micro) |
|--|---|----------|--------------------------|-------------------------------|
| D-Glucose/D-Fructose | 45 / 135 | \$199.00 | \$4.42 | \$1.48 |
| Acetic Acid | 45 / 135 | \$296.00 | \$6.58 | \$2.20 |
| L-Malic Acid | 45 / 135 | \$162.00 | \$3.60 | \$1.20 |
| L-Lactic Acid | 45 / 135 | \$162.00 | \$3.60 | \$1.20 |
| Ammoniacal Nitrogen | 50 / 125 | \$202.00 | \$4.04 | \$1.62 |
| Citric Acid –new suitable for red & white wine | 45/135 | \$315.00 | \$7.00 | \$2.33 |

*On request kits are available for the determination of :
Ascorbic acid - Gluconic acid – Glycerol –Acetaldehyde - Sucrose*

Colorimetric Kits

| Description | Number of tests manual method macro/semi-micro cuvettes | Price | Cost Per Test (Macro) | Cost Per Test (Semi-micro) |
|-------------------------------|---|----------|--------------------------|-------------------------------|
| Total SO2 | 250 / 750 | \$148.00 | \$0.60 | \$0.20 |
| Free SO2 | 40 / 120 | \$118.00 | \$2.95 | \$0.98 |
| Iron | 60 / 120 | \$142.00 | \$2.37 | \$1.18 |
| Copper | - / 50 | \$148.00 | - | \$2.96 |
| Tartaric Acid | 44 / 132 | \$85.00 | \$1.93 | \$0.65 |
| Primary Amino Nitrogen | 37 / 111 | \$111.00 | \$3.00 | \$1.00 |

On request kits are available for the determination of Anthocyanins – Protein Stability

All kits include comprehensive method information and instructions

We also provide Chemetrics Qualitative kits for measuring Sulfites in Wine

PTO

All prices are net ex store Alphatech and exclude GST and may be subject to exchange variation

Qualitative Reagents for Sulfite wine analysis

Range: 10-100 ppm as SO₂
MDL: 10 ppm / Method: Ripper

Sulfite in Wine Titrets Kit

Cat#

K-9610W

Increments:

10, 11, 12, 13, 14, 15, 16, 18, 20, 25, 30, 35, 40, 50, 70, 100 ppm

Kit comes in a cardboard box and contains everything needed to perform 10 tests: ten ampoules, ten valve assemblies, instructions, and MSDS.

Price: \$60.00 +gst

All prices are net ex store Alphatech and exclude GST and may be subject to exchange variation
